

1. Slide I have a special offer for you: A path to health and financial security.
2. Slide Do you have time for yourself and your family? Really?
3. Slide Let me introduce you to the DUOLIFE company.
4. Slide Located near Krakow, in Wieckovice, Poland.
5. Slide They manufacture dietary supplements, functional foods, and cosmetics in their own factories.
6. Slide Four individuals dreamed of the DUOLIFE company ten years ago, created it, and set it on a successful path.
7. Slide They have their own Scientific Advisory Board, led by Prof. Piotr Kardasz, who is of Hungarian descent.
8. Slide The company has numerous international certificates and excellent ratings.
9. Slide In 2023, Business for Home organized a reliability competition for the World's Top 800 companies. DUOLIFE came first.
10. Slide Our products: Cosmetics, liquid forms, clinical-medical formulas, functional foods. Each one is 100% pure, 100% active, synergized for stronger effects, making the products more effective.
11. Slide Every day, we face challenges of civilization. Poor diet, artificially modified foods, daily stress, and continuous air pollution.
12. Slide This data is from 20 years ago. It measures the loss of nutrients such as Calcium, Magnesium in vegetables and fruits. Unfortunately, it accurately shows the deficiency in vitamins and minerals two decades ago. Naturally, the results have only worsened since then.
13. Slide DUOLIFE is among the first companies in Europe to participate in the "Clean Label" program, translating the quality ingredients into 15 languages on every product.
14. Slide The products meet five strict rules. No fertilizers are used in raw materials; there are no GMOs in DUOLIFE; they use lead-free medical glass bottles for packaging. Using the IHHP method, they press products made exclusively from whole ingredients with a pressure of 1000 bars.
15. Slide The company has developed Softmarketing, which focuses on people. It offers popular trends and comprehensive solutions for development and network building.
16. Slide We work as a team. One for all, all for one.
17. Slide The company applies multiple payments in a settlement program, creating a secure financial background for commissions and passive income.
18. Slide The company offers club membership for everyone. The career chart shows that the more sales we achieve, the higher payouts we get. Of course, there are motivational programs: Car program, foreign vacations, director trips, and more.
19. Slide The car program ensures that everyone, upon reaching the required performance, can pick up a luxury car directly from the showroom with zero kilometers. The company covers all expenses; our task is only to fuel and keep it clean.
20. Slide Currently, over 1700 DUOLIFE cars have been handed over worldwide (the image shows older data), and this number continues to grow.
21. Slide The most important thing for everyone is dreams and aspirations they want to fulfill in life. Here, you have the opportunity for everything. You can vacation, create financial security, bring friends, acquaintances, and family into the business. That's why you have the chance to live a happier, more balanced life."
